6th October 2025

Dear Parents, Carers, and Governors,

I am delighted to share some wonderful news with you about our school's continuing journey as a Rights Respecting School.

We are proud to announce that Lawdale has been awarded the Silver Award by UNICEF UK. This recognition reflects the commitment of our staff, pupils, and wider community to placing children's rights at the heart of everything we do. Through this approach, we ensure that every child is valued, listened to, and supported to reach their full potential in a safe, respectful, and inclusive environment.

Achieving Silver is a fantastic milestone, but our journey does not stop here. We are now aiming for the Gold Award, the highest recognition of a Rights Respecting School. This will involve deepening our commitment to children's rights across all aspects of school life, strengthening pupil voice, and continuing to embed respect, equality, and fairness into our culture.

We could not have achieved this without the support of our parents, carers, and governors, and we will continue to work closely with you as we move forward. Together, we can ensure that our school not only provides excellent education but also empowers every child to grow into a confident, compassionate, and active global citizen.

Thank you, as always, for your ongoing support. We are excited about the next stage of our Rights Respecting journey and look forward to celebrating our progress with you throughout the year.

Thank you,

Nerupama Kamaly (Rights Respecting Lead)
