10th March 2026

Dear Parents and Carers,

As a Rights Respecting School, we are always looking for ways to help our pupils understand their role as responsible global citizens. One of the key rights we explore in school is the **right to a clean, healthy and sustainable environment**, which links closely with our work on protecting our planet and caring for the world around us.

To support this, we are excited to announce that our school will be taking part in a **special recycling scheme**. This initiative will help reduce waste, support environmental sustainability, and raise awareness among pupils about how small actions can make a big difference. It may also help our school earn rewards while supporting recycling efforts.

We are asking families to help by collecting and sending in the following **clean, empty packaging**:

- All Ferrero Rocher & Ferrero Collection **aluminium wrappers** (including bars)
- Ferrero Rocher & Ferrero Collection **transparent plastic boxes and outer plastic wrappers**
- Ferrero Rocher & Ferrero Collection **gold plastic trays**
- Ferrero Rocher **ice cream plastic packaging**
- **Kinder aluminium foil packaging**
- **Kinder flexible and rigid plastic packaging**
- **Kinder chocolate wrappers**
- **Nutella biscuits flexible plastic pouches**

Please ensure that **all packaging is empty and free from food** before sending it into school.

Through this project, pupils will learn how their actions connect to children's rights around the world. In particular, this work supports:

- **Article 24** - the right to health and a clean environment
- **Article 29** - education that helps children respect the environment
- **Article 12** - the right for children to have a voice and take part in decisions that affect their future

By taking part, our school community can work together to protect the environment and show our pupils how we can all contribute to a more sustainable world.

If you have any of the items listed above at home, please send them into school with your child. Collection points will be available in school.

Thank you for your continued support in helping us promote children's rights and care for our planet.

Kind regards,

Nerupama Kamaly
